Hiring Manager,

I am writing to express my interest in the Software Developer position at your esteemed organization. As a recent MBA graduate with a solid foundation in Computer Science, along with certifications in Java Full Stack Development and Python Programming, I am excited to launch my career in software development and contribute my skills to a forward-thinking team.

During my academic journey, I successfully completed multiple projects, including a Loan Management System, a Secure Student Login System, and a Store Management App for the Textile Industry, using technologies such as Java, Python, HTML, JavaScript, and MySQL. These hands-on experiences have helped me build a strong understanding of full-stack development, database management, and secure application design.

I am enthusiastic about solving real-world problems through code and continuously improving my skill set. My strong communication skills, teamwork mindset, and eagerness to learn make me a dedicated and adaptable professional, ready to contribute to your development goals.

Thank you for considering my application. I would appreciate the opportunity to discuss how my background and interests align with your organization's needs. I am available at your convenience for an interview.

Best regards,

S Nivetha
